

PUBLIC WINE TOURS

Clarence Henry Coach, the premier luxury passenger transportation service in Northern New York, is proud to announce a new and exciting partnership with the wineries of the Thousand Islands - Seaway Wine Trail!

Now open to the public, we invite you to join us any Sunday throughout the summer season in the added comfort and convenience of a chauffeured 30 passenger parlor coach to explore and enjoy the wide variety of products and services our local wine merchants have to offer!

The most attractive feature of this service is that you have the freedom to select which Sunday is best for you, and board the parlor coach without any prior reservations!

From Memorial Day weekend to Columbus Day weekend, we guarantee a weekly tour scheduled for every Sunday departing at 10:00am sharp from JB Wise Parking Lot, Watertown. There is no minimum passenger requirement and seating availability is on a first come-first serve basis. Just simply show up, sit back and relax while your chauffer makes your otherwise average Sunday a day you will not soon forget, filled with friends, family, fun and memories to last a lifetime!
